

28th September 2018

Dear Parents/Carers,

Time Credits

We are very excited to inform you about a scheme we are starting to launch in school. Time Credits are a way of recognising the great things people do in their communities. If you give an hour of your time you can earn a Time Credit, a Time Credit gives you an hour to spend doing something you would like to do. There are many places to spend your Time Credits in Cambridge and other areas of the UK e.g Cambridge Corn Exchange, Clip'n'Climb, CRC salon, Parkside Pool, The Junction and Cambridge United FC. There will be different opportunities to earn Time Credits in school, for example running a club at lunchtime or afterschool, helping on school trips, volunteering in class and doing odd jobs around school (gardening, window cleaning, painting).

If you, or anyone you know in our community, are interested in joining the Time Credits scheme please complete the slip and return it to the office, letting us know what you could offer to the school, and come along to the information meeting on Friday 5th October at 9.00am.

Kind regards

Ms Karen Martin
Head Teacher

I am interested in becoming a Time Credit member

Name.....Name of Child.....

I have the following skills I could offer in school/I would like to volunteer to

.....
