

**The Grove Primary School**

# **Pupil Premium Policy**

**2025**

## Introduction

At The Grove Primary School, we believe that every child should be given an equal opportunity to succeed, and that no child should be left behind. We strongly believe that attitude and enthusiasm for learning make the difference between success and failure, and we are determined to ensure that our children, no matter what their personal circumstances, are given every chance to realise their full potential.

Some pupils from disadvantaged backgrounds require additional support; therefore, we will use all the resources available to help them reach their full potential, including the pupil premium grant (PPG). This policy outlines the amount of funding available, the school's strategy for spending the PPG effectively, and the procedure for ensuring the funding is allocated correctly.

### PPG allocation

The school adopts the following definitions of PPG eligibility, in line with government expectations:

- **Ever 6 FSM:** pupils who are recorded as eligible for free school meals or have been recorded as eligible over the past 6 years.
- **CIC and PCIC:** pupils who are in the care of an English LA (Child In Care), or pupils recorded as having been in the care of an English or Welsh LA immediately prior to adoption (Previously Child In Care), a special guardianship order or child arrangements order.
- **Service Child:** pupils of service families where one parent is serving in the armed forces or the child has been registered as a 'service child' within the past 6 years.

For the financial year 2025-2026, grant allocations are as follows:

| Disadvantaged pupils   | PPG amount per pupil |
|--|----------------------|
| Pupils in Reception to Year 6 who are recorded as 'Ever 6 FSM' | £1, 515              |

|   |                             |
|---|-----------------------------|
| CiC as defined in the Children Act 1989 – children who are in the care of, or provided accommodation by, an English LA                                | £2,630                      |
| PCiC, who have ceased to be looked after by an LA in England or Wales because of adoption, a special guardianship order or a child arrangements order | £2,630                      |
| <b>Service children</b>   | <b>SPP amount per pupil</b> |
| Any pupil in Reception to Year 11 recorded as an 'Ever 6 service child'   | £350                        |

The school will receive its PPG funding from the LA.

## Objectives

The school has the following objectives with regards to its use of the PPG:

- To provide additional educational support to raise the achievement of pupils in receipt of the PPG
- To narrow the gap between the educational achievement of these pupils and their peers
- To address underlying inequalities between pupils, as far as possible
- To make a significant impact on the education and lives of these pupils
- To work in partnership with parents to collectively ensure pupils' success

## How PPG is spent

Pupil premium is not a personal budget for individual pupils and may be used:

- to support other pupils with identified needs, such as those who have or have had a social worker, or who act as a carer
- for whole class interventions which will also benefit non-disadvantaged pupils

The Grove only spends the funding in the following ways:

- For the purposes of the school, i.e. for the educational benefit of pupils registered at the school
- On community opportunities whose provision furthers any benefit for pupils at the school

If the school has not spent the PPG within the financial year in which it was allocated, the school will carry the remainder forward to the following financial year. When the school carries PPG funding forward, it continues to only spend the funding in line with the above criteria.

## Long-term strategy for success

The school has a long-term strategy to ensure it maximises the use of PPG funding. The school has also adopted a long-term three-year strategic plan, aligned to the school's wider School Development Plan, which contains the following considerations:

- Expenditure
- Recruitment
- Teaching practice
- Staff deployment

As part of its strategy, the school maximises the use of the PPG by:

- Assigning a pupil premium lead to champion the educational needs of PPG recipients and ensure the implementation of this policy.
- Ensuring PPG funding and spending can be identified within the school's budget.
- Consulting, as necessary and as appropriate, the pupil premium lead, governors, staff and parents when deciding how funds are spent.
- Assessing the individual provisions required for each pupil in receipt of the PPG.

The school conducts lighter-touch annual reviews to inform the strategic plan and form the school's Pupil Premium Strategy Statement.

The school explores evidence-based summaries of PPG use, such as the EEF's Teaching and Learning Toolkit, to determine the best use of the funding. The school consults the EEF's Families of Schools Database to learn about effective practice in similar schools. The school makes decisions about PPG spending that demonstrably illustrates its use of evidence-based research.

When researching and implementing PPG use, the school focuses on approaches that:

- Are individually tailored to the strengths and needs of each pupil, and include targeted academic support, such as tutoring
- Are consistent (based on agreed core principles and components), but also flexible and responsive.
- Are evidence-based.
- Are focussed on clear short-term goals providing opportunities for pupils to experience success.
- Include regular, high-quality feedback from teaching staff.
- Engage parents in the agreement and evaluation of support arrangements, e.g. via pupil's personal education plans (PEPs).
- Support pupils' transitions through the stages of education, e.g. from primary school to secondary school.
- Raise aspirations through access to high-quality educational experiences.
- Promote each pupil's awareness and understanding of their own thought processes and help them to develop problem-solving strategies.
- Support the quality of teaching, including staff professional development.
- Tackle non-academic barriers to success at school, by supporting good attendance and behaviour and providing social and emotional support.

The school also chooses approaches that emphasise:

- Relationship-building, both with appropriate adults and with pupils' peers.
- An emotionally intelligent approach to the setting of clear behaviour boundaries.
- Increasing pupils' understanding of their emotions and identity.
- Positive reinforcement.

- Building self-esteem.
- Relevance to the learner – the approach relates to pupils' interests and makes success matter to them.
- A joined-up approach involving the pupil's social worker, carer, virtual school head (VSH) and other relevant professionals.
- A child-centred approach to assessment for learning.

### A tiered approach to PPG spending

The school operates a tiered approach to PPG spending to ensure spending is both balanced and focussed. Spending priorities are as follows:

- 1: Teaching
- 2: Targeted academic support
- 3: Wider strategies

Ensuring effective teaching in every classroom is the priority for PPG spending. To achieve this, the school spends the PPG in the following ways:

- Professional development
- Recruitment and retention
- Supporting early career teachers

Evidence shows that targeted support has a positive impact and is a key component of effective PPG use. The school spends the PPG on targeted support in the following ways:

- Structured interventions
- Small group tuition
- One-to-one support

Wider strategies are used to overcome non-academic barriers to success. The school spends the PPG on the following wider strategies:

- Behaviour support
- Attendance initiatives
- Emotional health and well-being initiatives
- Family Support work

### Use of the CiC and PCiC premiums

The Child In Care premium is managed by the LA's designated Virtual School Head.

The premium will be used to benefit a pupil's educational needs as described in their Personal Education Plan. To avoid any delays in providing support, the school works with the VSH to ensure that funding allocation is as simple as possible.

The CiC premium is used to facilitate a wide range of educational support for CiC. The designated teacher and carers work with the VSH to gain a full understanding of each pupil's needs and determine how to use the premium to support each pupil effectively. The designated teacher works with the VSH to ensure that all available funding is spent.

PCiC premium is allocated directly to the school to use as it sees fit to support the education and emotional wellbeing of PCiC pupils.

### Example interventions

The school may utilise the following achievement-focussed interventions:

- Providing one-to-one and small group work with experienced teachers to address pupils' specific knowledge gaps

- Creating additional teaching and learning opportunities using TAs
- Targeting English and maths teaching for pupils who are below age-related expectations
- Targeting pupils who require additional help to reach age-related expectations

The school may utilise the following teaching-focussed interventions:

- Little Wandle Letters and Sounds phonics programme
- Inference Training
- IDL
- 1<sup>st</sup> Class @Number

The school may utilise the following wellbeing-focussed interventions:

- Blue Smile Play Therapy sessions
- ELSA sessions
- Forest School
- Therapy dog

The school may utilise the following communication-focussed interventions:

- TEACCH strategies
- Indentiplay
- Attention Autism
- Lego Therapy
- Word Aware
- Narrative Language group

### Use of the service pupil premium (SPP)

The school uses the SPP to give pastoral support to service children during challenging times and mitigate the negative impact of family mobility or parental deployment.

Pupils qualify for the SPP if they meet at least one of the following criteria:

- They have a parent serving in the regular armed forces
- They have been registered as a 'service child' on the January school census at any point since 2015 (known as the 'Ever 6 service child measure')
- They have a parent who died whilst serving in the armed forces and the pupil receives a pension under the armed forces compensation scheme or the war pensions scheme
- They have a parent who is on full commitment as part of the full-time reserve service.

The school does not combine the SPP with any other form of PPG. SPP spending is accounted for separately to any other form of PPG. The school may use the SPP for:

- Providing pastoral support in the form of counselling, nurture groups, clubs, etc.
- Improving the means of communication between the pupil and their deployed parent(s), such as introducing a 'video call club'.
- Helping pupils to develop scrapbooks and diaries that can be shown to their parent(s) on their return.
- Funding staff hours spent assisting the pupil when they join a new school as a result of a new posting.
- School trips specifically for service children, such as military-specific trips that allow pupils to join a wider community and better understand the role their service parent plays.

The school does not use the SPP to subsidise routine school activities.

## Accountability

Individual targets are set for each pupil in receipt of the PPG who accesses a specific intervention and their progress towards achieving these targets is analysed at the end of those interventions. The progress of pupils in receipt of the PPG is regularly discussed with subject teachers.

Ofsted inspections will report on the attainment and progress of disadvantaged pupils in receipt of the PPG. The school is held to account for the spending of the PPG through the focus in Ofsted inspections on the progress and attainment of the wider pupil premium-eligible cohort.

The school publishes its strategy for using the PPG on the school website by the 31 December utilising the DfE template.

The school publishes the updated PPG strategy annually, in line with its statutory duties.

## Reporting

The headteacher reports annually to the governing board and parents regarding how effective PPG spending has been and what impact has been made. The impact of PPG spending, in terms of improving educational outcomes and cost effectiveness, is monitored, evaluated, and reviewed by the headteacher and the governing board.

Information regarding PPG spending is published on the school website. The school does not publish any personal data regarding individual pupils on the school website.

For parents of pupils in receipt of PPG, details of the pupil's academic progress and behaviour are sent home in their reports. This information informs the development of additional or alternative strategies and interventions to further improve the attainment of these pupils.

## Pupil premium reviews

If disadvantaged pupils are not meeting expected levels, or slow progress means they are failing to realise their full potential, the school will consider undertaking a pupil premium review to objectively evaluate the pupil premium strategy and identify ways to use the PPG more effectively. If requested to do so by Ofsted, the LA, or the DfE, the school will commission a pupil premium review. At the end of the review, the school has an improved strategy and plans to implement it. This strategy and these plans are shared with all relevant stakeholders.

## Overpayments

The school repays any overpayment of the PPG.

## Monitoring and review

The headteacher and pupil premium champion are responsible for reviewing this policy annually. Any changes to this policy will be communicated to all relevant stakeholders.
