

Even You Song Concerts for Year 5 and 6 Pupils

Dear Parents/Carers of Year 5/6 pupils,

We are lucky enough to have been given the opportunity to participate in a very exciting and unique music project at Trinity College, Cambridge on Saturday November 2nd, followed by a performance in Piccadilly, London on Friday 29th November.

The project is a music concert called Even You Song. This concert is an immersive work by Bettina Furnée and Lucy Sheerman set to music by Cheryl Frances-Hoad. It is based on a series of interviews with twelve couples about a potential trip to the moon which form the basis of a libretto (musical performance) to the format of a Choral Evensong.

The children are currently participating in a number of music workshops, led by Hannah King to learn the songs.

We hope as many of our children will be able to participate in both the Cambridge and London performances. However, if children do not behave in an appropriate manner during rehearsals they may not be able to attend the performances. Coaches will be laid on to transport the children to both events partly funded by the project and part by the schools.

This is a unique opportunity. Please complete the reply slip to give permission for your child to take part in one or both of the performances.

With kind regards

Ms Karen Martin and the Year 5/6 teachers
Headteacher
