2<sup>nd</sup> March 2021

Dear all,

From 1<sup>st</sup> March 2021, if you're a member of a household, childcare bubble or support bubble of staff or a pupil you can get a twice-weekly Covid test:

- through your employer if they offer testing to employees
- at a local test site
- by collecting a home test kit from a test site
- by ordering a home test kit online

### Get a test through your employer

Your workplace may offer rapid lateral flow testing to you. Contact your employer to find out more.

### Take a test at a rapid lateral flow test site

You can take a rapid lateral flow test at a local site. Testing at these sites is assisted, which means you will swab yourself under the supervision of a trained operator.

You may need to book an appointment.

[Find your nearest rapid lateral flow test site](#). There are 7 sites across Cambridgeshire and Peterborough.

### Collect test kits

You can collect up to 4 home test kits at a local collection point. Each kit contains 7 tests. Anyone 18 or over can collect. You can check online if the location is busy before you go.

### Order home test kits online

If you cannot get tested at your workplace, or are unable to go to a test site or collect test kits, you can order a home test kit online. The online service will be available from 1 March 2021.

Kind regards

Ellie Shaw
