

The Grove Pupil Premium Strategy Statement 2019-2020

1. Summary information					
School	The Grove Primary School				
Academic Year	2019-20	Total PP budget	£131,179.20		
Total number of pupils	255	Number of pupils eligible for funding	99	Date for next internal review of this strategy	Summer Term 2020
<p>Our vision statement:</p> <p>“At The Grove we seek to inspire, nurture and empower individuals to become curious, creative and confident life-long learners, with the skills, mind-set and independence to thrive in an ever-changing society.”</p> <p>At The Grove we aim to create a community of learners, who will reach their full potential, by developing a love of learning through fun, real and meaningful experiences, which will motivate and inspire them throughout their lives. We believe that every child should be given an equal opportunity to succeed and that no child should be left behind. We strongly believe that attitude and enthusiasm for learning make the difference between success and failure and we are determined to ensure that our children, no matter what their personal circumstances, are given every chance to realise their full potential. Our Pupil Premium funding accounts for a significant amount of our budget and we are committed to ensuring that it is spent to maximum effect.</p> <p>Our school context</p> <p>The Grove is a diverse community primary school with 255pupils on roll in September 2019. The school is located in an area of high social deprivation in a large housing estate to the north of Cambridge city centre and we have a high percentage of children eligible for pupil premium, which brings some complex challenges. Staff are committed to working together with pupils and parents to ensure that all pupils have the opportunity to reach their full potential. We believe that it is essential that we identify individual barriers in order to provide personalised, targeted support so that our children can flourish.</p> <p><i>“The progress of disadvantaged pupils has accelerated since September because the use of pupil premium funding is effective. Strategies to support the most able disadvantaged pupils are beginning to bear fruit. Effective intervention plans are in place to support all pupils in this group and these are rigorously monitored to ensure that the progress of disadvantaged pupils is close to that of others nationally.” (Ofsted 2017)</i></p>					

2. Current attainment at end of KS2 (2018-2019)			
	Pupils eligible for PP (22)	All pupils	National All %
% achieving in reading, writing and maths	59%	63%	65%
% attaining expected standard in reading	64%	70%	73%
% attaining expected standard in writing	64%	74%	78%
% attaining expected standard in maths	60%	70%	79%

3. Barriers to future attainment (for pupils eligible for PP, including high ability) - Data sourced from Analyse School Performance and school data analysis		
A.	High levels of deprivation: 38% of pupils receive pupil premium funding. The school’s deprivation indicator is 0.23, which is higher than the national average of 0.21.	
B.	Social care needs: Many families supported historically or currently by Social Care. Parents need support from school to help them to address their needs and to support their children’s learning.	
C.	Mental and social health and well-being need: a significant number of children and families have challenges with routines, parenting capacity, mental health and managing emotions.	
D.	Diversity: 34% of children from minority ethnic families; 34% speak English as an additional language. Some of the children need targeted support in order to catch up with their peers in terms of language and oracy.	
E	Starting points: assessment on entry to the foundation stage shows many children have poorly developed communication skills, little or no English, and poor personal, social and emotional development. Attainment on entry is substantially below developmental milestones for the majority of children.	
F	Mobility: the school has high mobility, with some children arriving from overseas, often with no English and little/no prior formal education.	
4. Desired outcomes		
	<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>
A.	KS2 – Close gap in attainment between pupil premium and all pupils	Gap narrows between pupil premium pupils and all pupils
B.	KS1 and EYFS – Attainment of disadvantaged pupils to be in line with or above national	Attainment is in line with or above national at end of KS1 and EYFS
C.	Increase percentages of disadvantaged pupils working above national at all key benchmarks	An increased % of children achieving greater depth across the school
D.	Years 1, 3, 4 and 5 - Children make good progress and meet end of year targets	Year 1, 3, 4 and 5 children make good progress and meet end of year targets
E.	Children in key groups make good progress	Children in key groups make good progress and the gap between them and their peers closes
F.	Improve and support mental health and social and emotional needs of disadvantaged children and their families	Children with mental health, social and emotional issues make good progress
G.	Increase parental engagement for disadvantaged pupils	Increased attendance of parents at school events such as parent evenings and workshops Evidence of parents engaging more effectively with learning and as a result the targeted pupils make good progress

Year Group	Item/ project	Cost	Evidence / Rationale	Objective	Outcome
Whole School	Pupil Premium Champion (1 days)	£62,377.31	Experience and data analysis has shown us the benefits of having a senior leader to provide a link between and oversee key areas affecting PPF families, such as attendance, safeguarding and SEND.	To oversee, monitor and evaluate provision for PPF pupils, analyse data and identify future learning and support needs and provide support for staff.	A. KS2- Close gap in attainment between pupil premium and all pupils B. KS1 and EYFS – Attainment of disadvantaged pupils to be in line with or above national C. Increase percentages of disadvantaged pupils working above national at all key benchmarks D. Years 1, 3, 4 and 5 - Children make good progress and meet end of year targets E. Children in key groups make good progress F. Better support mental health and social and emotional needs of disadvantaged children and their families G. Increase parental engagement for disadvantaged pupils
	Pupil Premium teacher (mornings)		The EEF toolkit has been used to select some interventions, such as 1:1 tuition, Early Years intervention and targeted small group tuition.	To run targeted interventions for PPF pupils across the school, to support targeted pupils to access their learning within the classroom, to release class teachers for pupil conferencing and progress meetings with the Pupil Premium Champion.	
	Inclusion mentor (2 days)			To support the PP Champion in providing support for SEND pupils who are eligible for PPF; including running targeted interventions especially to support Speech, Language and Communication Needs. To liaise with parents of PPF/SEND pupils as necessary.	
	Safeguarding and family liaison officer (2 days)			To provide pastoral support for PPF children and increase engagement of parents within school and the local community through running lunchtime and after school clubs and coffee mornings, attending relevant meetings, liaising with local community organisations to provide support and advice for parents.	
Years 1-2	Intervention TA	£37,482.96	The EEF toolkit has been used to select some interventions, such as 1:1 tuition and targeted small group tuition.	To run targeted interventions for identified pupils across KS1 with a focus on reading, phonics and writing.	B. KS1– Attainment of disadvantaged pupils to be in line with or above national D. Year 1- Children make good progress and meet end of year targets, including the phonics screening.

Years 3-5	Intervention TA			To run targeted interventions for identified pupils across years 3-5.	D. Years 3, 4 and 5 - Children make good progress and meet end of year targets
Whole school	HLTA			To run targeted interventions for identified cusp children across KS2.	A KS2- Close gap in attainment between pupil premium and all pupils

RECORD OF PUPIL PREMIUM GRANT SPENDING BY ITEM/PROJECT 2019/20					
Year Group	Item/ project	Cost	Evidence / Rationale	Objective	Outcome
Whole school	Blue Smile	£10,800	Recent government policy requires effective support for children's mental health and well-being needs.	To provide play/art therapy and counselling for identified children requiring SEMH support.	E. Better support mental health and social and emotional needs of disadvantaged children and their families
	SEMH support	£15,000		To provide the opportunity for the development and support of social, emotional and communication needs and well-being through the medium of music and outdoor activities.	
	Red Hen	£2,000	Safeguarding data has shown that a high proportion of families accessing additional support have been in receipt of PPF.	To provide a range of support for families in the home setting, at school and through training workshops to enable PPF pupils and their families to thrive.	E. Better support mental health and social and emotional needs of disadvantaged children and their families
Year 5	Residential trip	£2,000	Outdoor learning experiences, especially those involving collaborative learning experiences are shown to have a positive impact on learning (EEF toolkit)	To provide subsidised access to the residential trip for current Year 5 pupils so that more PPF pupils are able to participate.	<p>All children develop increased self-confidence and greater independence.</p> <p>All children develop better team-working, collaborative skills and improved social skills.</p> <p>E. Better support mental health and social and emotional needs of disadvantaged children and their families</p>
Whole school	Supporting families	£1,518.93	Past experience has shown us that though providing targeted places before and after school, children's attendance and attitudes to learning have improved.	<p>Places provided in breakfast club and in after-school provision in order to improve punctuality, attendance and social skills.</p> <p>To provide uniform and basic supplies for families in urgent need of support.</p>	<p>Children have a good start to the school day with a healthy breakfast (Discussion / Observations)</p> <p>Children take part in a range of enrichment activities (Discussion, Observations, Attendance register)</p> <p>Attendance and punctuality improves.</p> <p>F. Increased parental engagement- parents able to attend meetings with school staff.</p>

TOTAL PPF RECEIVED	£131,179.20
