

Reading Week 2021

Monday 1st March—Friday 5th March

As you will have seen from the flyers and presentations, there are a variety of activities going on this week to celebrate reading. This poster will provide more specific details about our competitions.

Mystery Reader

- This is a competition where you have to identify the staff hiding behind their books. Answers can be written down and sent either to the class teacher or school office.
- There will also be a class competition so you will need to take your own mystery reader photo and email it to your class teacher. They will collate these and share them so that you can all have a go at guessing who is who!

Book Cover

- Rather than dressing up as book characters, this year we are challenging you to recreate a book cover using household objects. Again, take a picture and send it to your class teacher so that it can be incorporated into a short video to be shared in school. Keep a look out through the week as we will be posting examples from our staff.
