Role: Class Teacher

Dear Prospective Candidate

Thank you for taking the time to request/download an application pack. We hope that you will find time to visit our school, before, during or after the school day to assist you in your decision as to whether to apply. **Please include a covering letter with your application form** demonstrating your suitability for the post, making reference to the job specification and description

We are seeking a teacher who is interested in developing their pedagogy and practice as part of our dynamic staff team, and committed to ensuring the best outcomes for all children. We want someone to join us who is highly motivated and passionate about helping us to achieve the best outcomes for our children and families. Our children would like someone who will help them to be curious and motivated learners and who is always ready with a smile of encouragement. We care deeply about nurturing our children as individuals, ensuring all are happy and thrive as learners.

Our key priority is to ensure the highest quality teaching and learning experience for all our children. Our teachers work collaboratively to develop their practice and to be innovative in the classroom. We are determined to help our children learn how to learn and become resilient, independent thinkers with high aspirations.

We place real value on partnerships with parents, other schools and with the wider community. Working with children means working with their families, providing care and support where needed and enabling parents to foster in their children great attitudes to school and learning. We believe passionately that every child has a right to succeed. The successful candidate has to have a genuine commitment to inclusion and equality.

The Governors and I are united in our desire to see every child attain the highest levels of achievement in all aspects of their development. Currently, The Grove Primary is a good school and has the potential to be outstanding. I am very ambitious about our future and I am very excited about the potential of working with you to help make The Grove great.

The opportunities offered by this post are wide ranging and provide many opportunities for professional development. We want the right people to join us to ensure our continued success.

I look forward to receiving your application form and supporting letter.

Kind regards

K Martin
