Castle Capers

Remember to choose one starter, one main course and one dessert task to complete or as many as you wish!

Starters

DT: Make a medieval shield for a knight to use. This can me made out of any material, but must be fit for purpose, so it needs to protect your body and be held on your arm. Think about how you join the materials.	
History: Step back in time and take a visit to a museum. Write a short fact file about one of the exhibits and what you learned about the past.	
Art: Design a flag with your family crest. You will have to create this together, thinking of images that represents your own family and culture.	

Main Course

English: Retell your favourite fairy tale with you as the main character. Draw a story map to show the main events and help you keep on track of the sequence of the story.	
Maths: To learn the 2 x, 5 x and 10 x tables! We introduce this as repeated addition e.g. 5 + 5 + 5 + 5 = 20 then make the links to multiplication 5 x 4 = 20. If your child is not ready for this, please just continue with repeated addition in 2's, 5's and 10's.	
Science: Draw a diagram or a write sentence to answer the following question: *Would you like to live in a gingerbread house?*	
Computing: Use a paint program to draw a picture of a castle or palace.	

Dessert

Speaking and Listening: To help the children gain confidence to speak in front of an audience, choose and rehearse a poem that they could perform in front of the class.	
SMSC: Bring in a photograph of you on a family outing. This could be a trip to museum, castle, zoo or a special location. Share this with the class and talk about what you enjoyed or perhaps something you have learnt!	

Due date - WB Monday 11th February 2019
