Are you excited by the opportunity to make a real difference in a thriving city school with a vision of inspiring, nurturing and empowering children to become curious, creative and confident life-long learners? Join our team as we work together to provide inspirational learning experiences which enable our children to develop the skills, mind-set and independence to excel in an ever-changing society.

We are seeking teachers who are interested in developing their pedagogy and practice, as part of our dynamic staff team, and who are committed to ensuring the best outcomes for all children. Through our links with the Faculty of Education, we have a strong culture of research-based practice and encourage staff to engage with enquiry-based learning.

Applications are invited from NQTs who have outstanding references and have been highly successful in their training. We are experienced at supporting NQTs, providing a tailored and successful induction programme. In addition, all staff participate in our professional development programme throughout their time at the school, which can include opportunities for further study.

You will be joining The Grove at a time when we are seeking to build on our good practice, raising the aspirations of and improving the outcomes for all children. You will be working with our motivated and enthusiastic children who come from a range of backgrounds and alongside our talented, creative and dedicated team.

Unfortunately, due to the current situation we are unable to offer tours of the school but please contact the headteacher on head@grove.cambs.sch.uk to find out more about the school. In addition, interviews will be conducted via videoconferencing.

For an application form, please contact Mel Ramsey (office manager) on office@grove.cambs.sch.uk. Application packs are also available via the school website www.thegroveschool.net

The Grove Primary School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to be fully committed to our safeguarding policies and procedures. Please note that CV applications will not be accepted. Pre-employment checks and references will be sought and the successful candidate will need to undertake an enhanced DBS check.
