

The Grove Primary School

Impact of PE and Sports Premium 2015/16

At The Grove, we recognise the contribution of physical activity to the health and well-being of our children. We believe that a varied and exciting PE curriculum and extra-curricular opportunities have a positive impact upon the concentration, attitude and overall academic achievement of all of our children.

We received £9080 of Sport Premium funding, also known as Olympic Legacy funding, during the academic year 2015 – 2016. This allowed us to develop the provision and profile of Sport and PE throughout the school.
