

Expanded Column Addition

Example 1

$$24 + 15 =$$

	T	U
	2	4
+	1	5
		9
	3	0 ⁺
	3	9

① Always start with the units.
 $4 + 5 = 9$

② Now move to the Tens.
 $20 + 10 = 30$

③ Combine your two numbers to get your answer
 $30 + 9 = 39$

Example 2

$$329 + 243 =$$

	H	T	U
	3	2	9
+	2	4	3
		1	2
		6 ⁺	0 ⁺
	5	0 ⁺	0 ⁺
	5	7	2

① Start with the Units. $9 + 3 = 12$
Place the units in the Units column and the Tens in the Tens.

② Now the Tens.
 $20 + 40 = 60$

③ Next, add the Hund

$$300 + 200 = 500$$

④ Combine everything together.

Don't rush and
always space out
your work!

One number per square!
