The pupils, staff and Governors, of The Grove Primary School, are looking for two new team members to work in our Enhanced Resource Provision for pupils with Autism. The Aviary will open to pupils in mid April and the contract for these posts will start on Monday 13th April 2026.

The opening of the Enhanced Resource Provision is part of Cambridgeshire Local Authority's plan to diversify the educational opportunities for pupils so their needs are more effectively met at an earlier stage. Pupils attending The Aviary will receive a high level of bespoke teaching and support to allow them to gain the confidence, skills and strategies to manage in a mainstream classroom. It is likely that they will be in our ERP for 2 - 3 terms depending on their needs.

It is an exciting time to join our vibrant and forward thinking school. We can also offer you:

- Pupils who love to be part of our community and are keen to learn.
- A supportive and caring staff team.
- Opportunities for training and development focused on the needs of our pupils.

The successful candidate will be subject to an enhanced DBS check. The Grove Primary School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Please note that CV applications will not be accepted.
