14th November 2019

'Inspiring Dream' at the Bradfield Centre Wednesday, 20th November 2019 1pm – 4.30pm

Dear Parents/Carers

Years 5 and 6 will be embarking on another wonderful visit to the Science Park on Wednesday. At this event the children will be watching an aspirational presentation 'Inspiring Dreams'. The speaker is Ricky Munday and he will present in two parts – one part on Antarctica and the second on Everest. There will be a chance for questions and a chance to try on some of the specialist kit used in these hostile climes. The key themes to come out of the presentation will be perseverance, developing resilience, goal setting and overcoming adversity.

Year 5 and 6 pupils will walk to The Bradfield Centre for a 2.00pm start where a light lunch will be provided. Following this they will watch Ricky Munday's presentation. The event will not finish until 3.45pm so they will not get back to school until 4.15pm. The children can be collected from the community entrance.

Please could you log on to your SimsPay account to give permission for your child to come on this event and to confirm it they will be collected or will walk home alone.

If your child attends Mindfulness or Kettles Yard after school they will still be able to join their club when they return to school.

Kind regards.

Mrs Harwood and the Year 5/6 team
