

Miss Shaw's Newsletter

Dear children and families,

I cannot believe that another week has gone by! We have been really lucky with the weather again although it has been much chillier than recent weeks. According to the Met Office we have lots of lovely weather to come.

I have been busy this week thinking about how we reopen to Year 6, 1 Reception and our current Key Worker children. The Government continue to send updates about their expectations, so our planning continues. Mrs Cordell, Mrs Ramsey and Miss Owen have enjoyed catching up with the families in those year groups while also asking who would be interested in coming back to school if/when we partially reopen. I will write more about how we are organising things once we have confirmed our plans. Everything that we do will be based on the information from Public Health England as everyone's safety continues to be paramount to me. We would love to have you all back – but we are not there yet. We are not even sure we will open on the 1st June. As soon as the Government tell us a definite yes, then I will let you know. I know it seems unbelievable, but we really do find out at the same time as you.

We are still waiting to hear back from Fanborough Hall. They are not currently returning our calls or emails. As soon as we have more information for the Year 6 parents concerned, we will let you know. Thank you for your patience. Year 6 – we are really sad not be taking you away. They staff were really looking forward to it.

I have sent out yet more Headteacher Awards this week which has been one of my highlights again. It is lovely to see all the activities you are doing at home. Please keep sending us pictures – we look forward to hearing from you too.

Year 6 – your secondary schools are thinking creatively about how to welcome you to your new school. If you are going to Chesterton, they have a pack on their website for you to have a look at. They are going to produce a number of them so keep an eye out.

I am writing this with Mollie curled up next to me. In fact – I think she is gently snoring?

Take care,

Miss Shaw

Weekly challenge.

This week's challenge. I hope lots of you have seen Miss Lee – Fox's little video on our Facebook page. I wonder if any of you can do something similar? It can be recorded, like hers; a set of photos or even drawn. I can't wait to see what you come up with!

Mrs Morris took up last week's challenge and made us some lovely things to eat in the staffroom using a cookbook from the 1940s. I think the banana cake was my favourite. Thank you, Mrs. Morris!

What's been happening in school this week with Mrs. Hardy and Team B?

It's been another creative week with lego building activities, junk modelling, other art activities, PE and outdoor learning including checking how things are doing in our pond as well as doing their home learning menus.
