KETTLE'S YARD

OPEN HOUSE RADIO

**A CELEBRATION OF RADIO FOR THE YOUNG AND OLD
CAMBRIDGE 105 RADIO, WEDNESDAY 13 FEBRUARY**

Inspired by pioneering developments in radio by Pye Ltd in Chesterton, artist Hannah Kemp-Welch has been working with residents of North Cambridge to explore, create and capture stories, songs and sounds which celebrate the diversity of voices within our community.

Hear from residents of North Cambridge: local histories, hopes for the future, playlists, performances, conversations and archival material.

Open House is a long-term collaboration between Kettle's Yard and our neighbouring communities in North Cambridge. Open House Radio has been developed with artist Hannah Kemp-Welch throughout 2018–19.
