

# Miss Shaw's Newsletter

Dear children and families,

It has been another busy week at school and it has been lovely to also see the learning being sent through on Seesaw too. This is our last formal week of learning and next week we will also be focussing on Miss Gibson's virtual sports' day. Please do get involved and I am looking for announcing the winning team in next week's newsletter.

I have been busy, with the senior team, putting together the new risk assessment ready for September. We are almost there with it and I shall be writing to share all the information you will need next week. I am relieved that we have been able to use many of our current mitigations as a starting point for this new risk assessment. At this moment in time, we are hoping to reopen the Breakfast Club and Pitstop provisions to but we will need to create consistent bubbles across the whole school day. If you have used these, you will be contacted by the office so we can continue to plan to safely reopen very early in the new term.

The Government noted in last week's guidance to schools, that they would be reviewing the situation on the 11<sup>th</sup> August. I will be on holiday that week but will work on any further changes on my return. I will then make sure you have this information as quickly as I can.

Have a good weekend.

Miss Shaw

## Awards in September

**Fridays:** Achievement assembly. What can you do to be nominated for a rosette and to be invited for a cup of hot chocolate?

**Headteacher's Awards:** Another favourite part of my day! I'm looking forward to seeing you visit me with your amazing learning. Your name will go in my weekly newsletter!

**Headteacher's Breakfast:** We will have to wait to later in the year to start this. Once we can have more visitors in our school, each ½ term each class teacher will nominate one child to come to breakfast. You can bring your family with you too.

And, of course, there are all the awards you normally get from your teachers too!
