

Miss Shaw's Newsletter

Dear children and families,

Welcome to my first newsletter. I will be writing one of these each week until we all get back to school. We still don't know anything yet but maybe we'll know more this time next week. Until then, remember to stay at home and keep safe.

I have been thrilled to see some of the fantastic things you have been doing at home. I have sent, in the post, a headteacher's award for an amazing poem and performance I saw this week. Thank you to Miss Lee-Fox for sharing it with me. Mr Cumberland has also been showing me some fantastic science experiments and explanations from the children in his class too. I've also been looking at our Facebook page. I wonder what I'll get to see this week?

All your teachers and teaching assistants are split into three teams. This week, Team C led by Mrs. Harwood, have been in school. We have had up to 16 children in too, so it has felt a little bit busier. They have been up to lots of things, as well as working on their home learning menus. Next week, it's Team A's turn. Miss Rattray leads this team and I know she has been thinking about VE Day as a theme.

Take care,

Miss Shaw

Weekly challenge.

This week I have teamed up with Mr Tinkler to set a weekly challenge. He has been telling me all about our "move for 15" daily challenge. I think this is an excellent first challenge for us all – including me! So, please can you email in photos or videos of you taking part in 15 minutes of activity. Make them as fun as you possibly can! Maybe you are going to skip around your garden dressed up as your favourite character? Maybe.....

We'll look forward to seeing what you get up to.

What's been happening in school this week with Mrs. Harwood and Team C?
