

## Week 10— Home Learning Menu —Year 1

Our theme this week is...

### Under the Sea!

#### Starters

**Science:** Make a fact file about a sea creature. It could be about a whale! What does it eat? Where in the world might you find it? What other special things should we know about this creature?

**DT:** Can you make your own playdough using a recipe? What could you make with it? Draw and label a plan of what you will make! The recipe is on the other page of this Learning Map.

**Art:** Have a look at the paintings by J.M.W Turner. He loved to paint the sea. What do you notice? How would you describe the sea in his paintings? Using your own art materials, draw or paint your own sea picture. Is the sea calm or stormy?

#### Main Course

**English:** Listen to the story *The Snail and the Whale* (video link sent out with this learning map).

Can you write the next part of the story— where will the snail and the whale go next? What adventures will they have?

**Maths:** Try some of the [White Rose Maths](#) home learning. The themes covered this week are: length and height, measuring length, and weighing.

How big is a blue whale? Is it bigger or smaller than your house? How could you find out?

**Geography** *The Coral Reef is in danger! But what is it?*

Make a poster about the Coral Reef. What kind of creatures live there? Why is it in danger? What kind of things can people do to help?

**Computing:** Using your research about the coral reef, use a phone or ipad to make a short video explaining why it is in danger, and what people can do to help.

#### Dessert

##### Other Activities:

Can you follow the instructions on the other side to make a sea creature from junk modelling and recycled materials? Choose from a egg carton crab or a bottle basking shark!

##### Speaking and Listening:

The Snail and the Whale has lots of rhyming words in it. Can you draw pictures of or write pairs of words that rhyme? E.g cat and mat, sat and hat.

#### Additional Notes:

[White Rose Maths](#) - Weekly Year 1 specific Home Learning packs for parents, complete with daily activities, instructions for parents and videos.

[Oxford Owl](#)— for free eBooks that link to your child's book band. You can create a [free account](#). Complete the linked Play activities for each book.

[Letters and Sounds](#) Daily phonics video lessons from Letters and Sounds. Click on Year 1 Lessons
