Dear Parents/Carers

We are aware that 'Fortnite' is the latest craze to land at The Grove (and in the house of every child!). As with everything online, we don't want to be the killjoys that say that the children can't play these games but we do want to educate our pupils in keeping safe. Together with this email there is a link with some guidance on what Fortnite is and how to start a discussion with your child about playing responsibly. I would also like to make you aware that Fortnite has been rated 12 by PEGI for its content.

I hope that this guidance is useful to you, please do not hesitate to let me know should you have any questions.

I would like to thank you in advance for your help with this, it is much appreciated.

Yours faithfully

Mr D Cumberland
