

The Grove Newsletter

Dear parents and carers,

As a part of your child's education at The Grove Primary School, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme. PSHE education is the curriculum subject that gives young people the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential.

As a school community, we are committed to working in partnership with parents. The recent parental feedback regarding The Grove Primary School's relationships and sex education (RSE) programme, indicated that the overwhelming majority of parents continue to be highly supportive of these changes and are happy for their child to participate in the learning.

I am writing to let you know that, over the second half of the summer term, your child's class will be taking part in lessons which will focus on the relationships and sex education (RSE) aspect of this programme. PSHE education is taught throughout the school in every year group and is monitored and reviewed regularly by the staff and governing body. All PSHE teaching will take place in a safe learning environment and is underpinned by our school ethos and values.

Your child's class teacher will be sending home further information regarding this unit of work, which will provide more specific details regarding what is being taught in their year group. Covid restrictions permitting, we are hoping to provide you with the opportunity to find out more about what your child will learn, view the materials and resources being used in lessons and discover how you can best support your child to discuss these topics at home.

It remains that parents have the right to request that their child be withdrawn from some or all of the sex education delivered as part of statutory RSE unit of learning. A consent form will be sent home prior to any SRE teaching beginning. If you would like to find out more or discuss any concerns, we would urge you to attend the information meeting and look forward to seeing you there.

Yours sincerely,

Esther Claydon

PSHE Lead

Discover The Chorister Experience at Ely Cathedral

- Find your voice with musical fun and games
- Explore an amazing ancient building
- Experience Evensong with the world-famous Cathedral Choir

Being a chorister is a fantastic experience which helps you to be more:

- Confident: choristers perform to hundreds of people, on TV, radio and online, and all over the world
- Musical: choristers learn adult musical skills and sing to the same standard as adult professionals
- Active: choristers do lots of sport and activities and are great at finding time to fit everything in!

This event complies with all Government and Church of England COVID guidelines.

This event is for boys in Years 2 and 3: *A chorister experience day for girls will be held in autumn 2022.*

Just a reminder that this trip has been **rearranged for Friday 11th February.**

All other arrangements for the trip remain the same.

Gosling Class Celebrate Chinese New Year!

The children in Gosling Class worked together to make the Dragon that Shen painted from the Magic Paintbrush (our current writing book). They then used the Dragon to perform a Dragon Dance inspired by Chinese New Year. They were amazing!

The Grove Newsletter

Rosettes at achievement assembly were presented to:

Friday 4th February 2022
