

The Grove Newsletter

Dear parents and carers,

It has been another positive week at school with lots of learning, both inside the classroom and outside in our beautiful grounds. The staff have been making good use of in this lovely weather.

We are looking to run a whole school charity event! **Film night is back** and I believe that it is highly popular. Please **see below for further information about how to buy tickets** and what films are on offer. We will be putting in the usual mitigations to ensure that we keep everyone as safe as we can. The money raised from this night will go towards supporting school trips.

On the topic of trips, sadly, we are no longer able to run any trip at a financial loss – as a school we just don't have the money to do that. We will be making sure that you have as much notice of trips as possible to help with payment and if you need financial support, please do contact the school office as we can often apply for grants.

Over the next couple of weeks, we will be making the decision about whether parent/carer meetings will be face to face or virtual. As things stand, given the Local Authority/PHE updates and current COVID 19 data, it is likely that we will be offering a virtual meeting. I am however hoping that we can find a way to hold our class assemblies – even if we have to be outside. I will keep you up to date through this weeklu newsletter.

Stay safe,

Miss Shaw

Please remember:

Everybody should arrive between **8.45 and 8.55** for school. If you arrive after 8.55, please come to the Community Door where a member of the senior staff will be there to welcome you. From Monday 13th September, after 8.55 you will need to sign your child in at the Community Door.

Many thanks.
