

The Grove Newsletter

Dear parents and carers,

It has been lovely to see so many of you in school this afternoon and I hope that you enjoyed seeing the school, your children's learning and their classrooms. I am looking at further opportunities to invite you in to school – please watch for further information in the newsletter.

We have also had some of those less welcome visitors in school this week! Please can I ask you to check your child's hair for headlice from time to time and treat as required.

We finally have a date for our Y5/6 play. North Cambridge Academy have yet to confirm their transition dates but we have opted for Wednesday 13th and Thursday 14th July for our performance dates. We are hoping that these will be later than any secondary school open events, but we look to be flexible should there be a clash. The performances will start at 5pm – a letter with further detail will be sent out at the start of next half term.

It has been another busy week in school. I didn't know anything about the Street Artist STIK until Y2/3 told me all about him. They were producing some amazing versions of his art in their books – really very impressive.

Have a good weekend – enjoy the Bank Holiday,

Miss Shaw

[What Parents Need to Know about Group Chats](#)

Published 27th April 2022 by National Online Safety

A free online safety guide on group chats.

Occurring through messaging apps, on social media and in online games, group chats are among the most popular ways that young people engage with their peers online. Involving, by definition, three or more individuals, these groups allow users to send messages, images and videos to everyone in one place. While they are useful for helping friends, people with shared interests or members of a club to communicate and coordinate activities, they can also leave young people feeling excluded and bullied – as well as providing opportunities for inappropriate content to be shared and viewed.
